

# Power of Faith

## Main idea

**Nothing is impossible with God.**

## Warm-up

If you can have a superpower, what would you choose and why?

## introduction

Transition: Having faith in God is like having a superpower!

## Message

*"If you can?" said Jesus. "Everything is possible for him who believes."*

**Mark 9:23**

**Background:** A father whose son was tormented by a demon since childhood, sought the help of Jesus. He said, "Please help us if you can do something with our situation" (paraphrase). Jesus response: Nothing is impossible for him who believes.

Things deemed impossible in the past but now are just a common sight: People can travel by air (Helicopter/Airplanes), talk to someone thousands of miles away (Telephone), Man expedition to the Moon (Now a Tourism Business). If man can do this, how much more with God! Everything is possible. Is there anything in your life/family that you think is impossible to change? (self, attitude, poverty, healing, reconciliation, graduate college, etc.). Jesus said *"everything is possible for those who believe."*

There is no hopeless situation in God. Everything is possible to those who have faith in Him (change life, graduate, have a decent job, prosper, make a difference or great impact)

Don't let your past, present challenges, fears, and weaknesses, limit your potential and God's plan for your life.

(1)Baby Elephant tied in a small pole- did not attempt to free himself again because of past failures even though he later on, grew big and strong enough to destroy the small pole. With faith you can now be set free!

## challenge/inspiration

*"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11*

God has a great plan, purpose and destiny for your life. There is a bright future waiting for you. So, rise up from where you are. Have faith in Him!

## Application Question
